Bridge Builders Leadership Initiative (BBLI) Disciplinary Policy

At BBLI, we strive to maintain a respectful and productive environment. To ensure all students can benefit from our programs, we have established a clear disciplinary policy.

Understanding and adhering to these guidelines is essential for all participants.

Strike System

BBLI operates on a strike system to address and manage behavioral issues. This system allows us to track and address repeated behavioral infractions in a structured manner.

Loss of Registration Privileges: A student removed from the program due to disciplinary reasons will not be eligible to register for the following semester (Summer Included)

Reinstatement

Students wishing to return to the program after a period of suspension must re-apply for admission. However, they will lose priority registration for the first semester they are eligible to re-register.

General Conduct Expected

All students are expected to adhere to the basic principles of respect, integrity, and responsibility. This includes, but is not limited to, respect for others, proper care for property, and a commitment to one's own learning.

Right to Amend Policies

BBLI reserves the right to modify these disciplinary procedures and sanctions as deemed necessary to maintain the integrity and safety of our programs.

Acknowledgment

Parents and students are required to sign an acknowledgment of these disciplinary policies at the start of their participation in any BBLI program, indicating that they understand and agree to the terms set forth.

Strike System

Bridge Builders has a disciplinary strike system. Please talk with your student about their behavior and review the policy with them.

Strike Number	Consequence

Strike 2	Student Conference about Behavior
Strike 3	Parent Phone Call about Behavior & 1-Day Suspension

At Bridge Builders Leadership Initiative, we are committed to fostering a nurturing and secure environment for all our participants. It is imperative that our afterschool programs maintain a setting that supports both educational and personal growth.

- **Policy Statement**
